Dear Parents and Carers,

It has been brilliant to welcome back our children, filling the classrooms, playground, hall and school field with an abundance of life and laughter. The summer holidays were long, and the weather was wonderful, so I hope you enjoyed that time with families and friends to recharge and get ready for the new year.

You will have received notification of our SIAMS inspection, scheduled for this coming Wednesday. This is a statutory evaluation of the impact of our Christian vision: Live, Learn and Flourish, embracing Life in all its Fullness. I hope that those visiting our school will see how this has impacted our work on the School Pledge, which outlines our extensive and broad extra-curricular offer for the pupils in our small school. I'm also confident that children will describe the nurture, guidance and care they receive every day in school.

You will have received instructions on how to log-in to our new bookings and communication system this week. If you haven't done so yet, please can you make sure you have downloaded and set up the MyChildAtSchool App. You will need this to book lunches and clubs from next week. Whilst you are in it, please can you take a moment to review the information we have for you and your child, and review your parent permissions.

On Wednesday we held the first PTFA meeting of the school year, we spoke about lots of exciting events that they have lined up. If you would like to help with any of the events or behind the scenes with the PTFA please contact Amelia or the school office. Our first fundraising event is fast approaching, an adults only night with the Riviera Dogs on Saturday September 26th at Harberton Village Hall. We hope to see as many of you there as possible. If you can't make it but would like to support us, please grab some raffle tickets, there are lots of super prizes to be won. You can buy your tickets & raffle tickets here - <https://gvwhl.com/2YVPY>

- **Amelia**
- **Lara**

Playground Award

- **Tate**
- **Bea**

PE Award

- **Owls - Rex**
- **Falcons - Oscar S**
- **Kestrels - Henry**
- **Eagles - Logan**

Eagles

The first week back and it has flown by! We have had a fantastic week starting off all of the new units in all of the subjects we learn! Bring on the rest of the year!

Kestrels

Kestrels have got stuck into their new topics this week and have covered everything from contact forces to grumbling crayons in their English unit The Day the Crayons Quit. It was lovely to see a mix of year 3s and 4s playing happily on the field during lunch and a strong sense of belonging in our class is evident already.

Falcons

Falcons Class have had a fantastic first week back! They have started to settled really well into new routines and have enjoyed taking part in activities to become more familiar with their new classroom layout.

Owls

Owls have had a fantastic first week, filled with learning, fun and exploration! We started our first block of Maths on sorting, matching and comparing. We had to turn over the cards to find the ones that matched, we had lots of fun!

Little Owls

The Little Owls have settled beautifully into the Nursery routine this week. We have been talking about families, things we like to do with our Mums and Dads, extended family and our homes.
